

THE GREAT
LOVE EXPLORING
DRAWING
COMPETITION

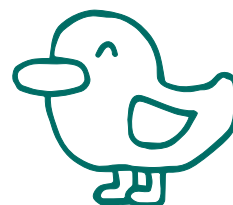

DESIGN YOUR CHARACTER HERE

This form has all of the detail on it but feel free to use recycled paper or anything you have available to draw on then simply take a picture or scan your designs and email to

competition@loveexploring.com

Or post to: **PO box to follow**

or get us on Facebook at: www.facebook.com/loveexploringapp

LOVE EXPLORING

DRAWING COMPETITION

Have you played Love Exploring yet?

Love Exploring is an app that provides games and activities for families to do when they visit the park. The app uses Augmented Reality to engage visitors in the history and ecology of the park.

We want your help to create new park creatures for the app. The creatures will help people when they are playing future games in the park.

Design your own character for Love Exploring

The winning drawing will be magically transformed into 3D and will be used by children in parks all across Manchester. You will also win a day trip with your family to Tree Tops Manchester!

HOW TO GET INVOLVED. A STEP BY STEP GUIDE

1

Go to the park and be inspired. Trees, birds, rocks, insects are all a good place to start.

2

Think about how you can make the character personal to you.

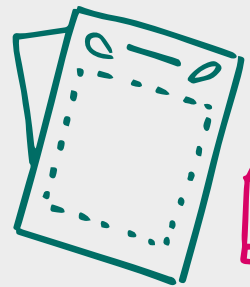

3

Send it to us via email, post or DM via Facebook! See below for contact details

4

The winning design will be turned 3D and feature in parks across Manchester! **You will also win a day trip with your family to Tree Tops Manchester!**

WHEN YOU ARE FINISHED

Simply take a picture or scan your designs and email to: competition@sprytar.com

Or if you'd prefer to post, send to:
PO BOX TO FOLLOW

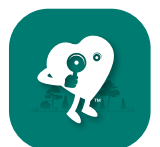

Make sure you include your name, age, postcode, email or telephone so we can contact you if you win.

T&Cs can be found here:
<https://api.sprytar.com/images/library/77/termsconditionsv5.pdf>

DEADLINE: Sunday 31st July 2020

The winner will be announced that month, so keep an eye on our social media!
